Hello all,

Attached are the draft agenda, minutes, and the action item tracking table. Please review and send me your comments, edits, additions, etc.

I will be sending out the final documents next Thursday or Friday.

As discussed at the last meeting, we're having this short meeting (4 hrs) on Nov 6th, so folks can stop here in Sacramento and participate before heading to the symposium in Folsom.

Please let me know if you are planning on attending the meeting in person so I can plan accordingly.

Thank you,

Jorge DeGuzman
